SCAT PARATRANSIT OVERVIEW

Enclosed is an application for the Suffolk County Accessible Transit (SCAT) Paratransit system. SCAT is for people whose disability is so severe that it prevents them from using public buses. In compliance with the Americans with Disabilities Act of 1990 (ADA) Suffolk County provides curb-to-curb paratransit services for the SCAT Program to anyone who, because of physical or mental disability, is unable to use the regular, fixed route bus service. Age, distance from a bus stop, or inability to drive, are conditions which are not taken into consideration in making an eligibility determination.

This application form is intended to determine the circumstances under which the applicant can use the regular, fixed route bus system. Each application will be evaluated on a case-by-case basis, taking into consideration all of the information provided. As part of the eligibility process, you may be required to undergo an in-depth interview. Failure to attend will result in denial of your application.

The applicant, or someone assisting him/her, must complete all the questions. A New York State licensed medical professional is required to complete the medical certification, this consists only of an M.D., D.O., P.A., N.P, or D.C. **ONLY**. If you do not have access to a licensed medical professional, please call (631) 853-8333 for assistance.

When you have completed and signed the application, mail it (original only, we will **not** accept photocopies or faxes of this application) and **two identical black and white, or color passport size photographs** (no photocopies) to:

Suffolk County Office for People with Disabilities
William J. Lindsay County Complex, Building 158
725 Veterans Memorial Hwy.
P.O. Box 6100
Hauppauge, NY 11788-0099

You will be notified as to your eligibility by mail within 21 business days.

The specifications for the two original photographs are: clear, full face, front view, approximately 1 by 1 1/4". Please print your name on the back of each photo and attach them to the application. Passport size photos are also acceptable.

On the other side of this cover letter is information about Paratransit. If you have any questions, or need assistance filling out the application, please feel free to call us at (631) 853-8337 (voice), or if hearing impaired phone (631) 853-5658 (TTY).

REVISED SCAT-PARATRANSIT PROCEDURES & GUIDELINES 8/2020

- 1) To make a trip reservation, call the Suffolk County Accessible Transit (SCAT) Paratransit dispatcher at (631) 738-1150 (Voice) or (631) 981-0104 (TTY). **ALL RESERVATIONS ARE SUBJECT TO AVAILABILITY.** Riders are entitled to trips on a first-come, first-served basis.
- 2) Reservations may be made up to 5 days in advance and no later than one day prior to the day you want to ride, if available. Multiple reservations can be made at one time. Since reservations are on a first-come, first-served basis you may not always get the reservation you desire if those time slots have already been taken.
- 3) Reservations can be made between 7:00 a.m. and 5:00 p.m., Monday through Saturday. On Sundays, reservations can be made between 8:00 a.m. and 4:30 p.m. When you call to make a reservation you must give the reservationist the complete address of where you are going.
- 4) The first daily pick-up will be 6:00 a.m. Monday through Saturday, (7:00 a.m. on Sunday), and the last daily pick-up will be 8:30 p.m. and later in those areas where SCT bus lines continue to operate later in the evening. **Please note that since there is no bus service on certain holidays, there will be no Paratransit service on those days either, so please check with SCAT before you plan your trip.**
- 5) The fare is \$4.00 one way (\$8.00 round trip). **Exact fare is required.**
- 6) For riders requiring a personal care attendant (PCA), the attendant will travel free. In addition to the PCA, one companion can also accompany the rider by paying the full fare. Additional companions may also accompany the rider, but only if sufficient vehicle capacity can accommodate them and they must also pay the full fare.
- 7) Riders must have their I. D. card with them when using SCAT identifying them as ADA Paratransit eligible. (if you do not yet have your ID card, bring your eligibility certification letter along on the trip).
- 8) If you need to cancel your reservation, please do so as soon as possible, but at least two (2) hours before your scheduled pick-up time. In an emergency, call as soon as possible. **However, riders who are repeat no shows or cancel excessively risk having their riding privileges suspended or revoked.**
- 9) Service is curb-to-curb. SCAT may also approve limited assistance between curbside and a building's entrance along an accessible path when requested at the time trip reservations are made, in accordance with the Origin to Destination Policy.
- 10) Drivers are not required to carry packages for you. Maximum number of packages passengers are permitted to bring on a single boarding is determined on what they can safely carry on and off the vehicle. While on board the vehicle packages must be stored in a location that does not block path of travel within the vehicle, or interfere with safety features, or securement of other passengers.
- 11) All pick-up and drop-off locations must be within Suffolk County, NY. Service is no longer limited to be within ³/₄ of a mile of a Suffolk County Transit route. There is no service on Shelter Island. Trips that begin and end in Town of Huntington are handled by the HART paratransit system.
- 12) Please note the SCAT bus has a half-hour window, where it can show up 15 minutes before or 15 minutes after your scheduled pick-up time. **YOU MUST BE READY DURING THIS ENTIRE WINDOW BECAUSE THE BUS WILL NOT WAIT MORE THAN 10 MINUTES FOR YOU.**
- 13) If you are able to use the public bus system for trips, we urge you to do so. It is less expensive for you and makes room for people who can only travel via Paratransit. Thank you for your cooperation.

Dear Health Care Professional (M.D., D.O., P.A., N.P., or D.C. only):

You are being asked to provide information regarding this applicant's disability. The Federal Law is very specific about ADA Paratransit eligibility. The law restricts eligibility to individuals who:

2. Have a specific impairment-related condition which prevents them from getting to or from a bus stop or
3. Need a wheelchair lift when a wheelchair lift-equipped bus is not available on the route that they need to travel.

PLEASE NOTE: This does not include persons who find it difficult or uncomfortable to get to and from bus stops. In providing information you should consider only the presence of a disability or health condition and not the applicant's age or economic status.
